

ANANYA ACHARYA

COMPUTER SCIENCE GRADUATE

ananya.c.acharya@gmail.com | 213-422-8845

ABOUT

Multi-faceted, efficient and a reliable professional with a diverse skill set and experience encompassing web development, software development and system administration. Seeking an internship opportunity as a computer science engineer.

ACADEMIC PROJECTS

FINANCE STOCK SEARCH APPLICATION (April 2014)

Developed a web and android application using JQuery and Ajax to interact with Java servlet (on Amazon AWS). Used Yahoo finance API and incorporated Facebook JavaScript SDK for 'share' feature.

OS PROGRAMMING – WEENIX KERNEL (April 2014)

Implemented Process & Thread architecture with synchronization primitives and Virtual File System (VFS) for handling files/directories.

ARTIFICIAL INTELLIGENCE – REVERSI GAME (October 2014)

Program that determines the best possible move for a player using adversarial search algorithms with positional weight evaluation functions.

3D GRAPHICS – SCREEN SPACE AMBIENT OCCLUSION (October 2014)

Extended GzLibrary to implement real-time screen space ambient occlusion, a technique developed for the 2007 video game Crysis, using the depth buffer.

SKILLS

C, C++

JAVA, .NET

HTML, CSS

JAVASCRIPT

JQUERY, AJAX

PHOTOSHOP

EDUCATION

2014 - NOW MASTER OF SCIENCE - Computer Science

University of Southern California

Los Angeles, California 90089

GPA: 3.44

Courses: Web Technologies, Analysis of Algorithms, Artificial Intelligence, Operating Systems, 3D Graphics and Rendering, Database Systems.

2007 - 2011 BACHELOR OF ENGINEERING - Information Science and Engineering

Visvesvaraya Technological University

Karnataka, India 590014

Grade: First class with distinction

GPA: 72/100

Project: Job scheduling in a grid computing environment

EXPERIENCE

2014 - NOW GRADUATE ASSISTANT - The Graduate School Office of the Provost, USC

Server and system administrator for USC Graduate School server and database infrastructure and programmer for web applications.

2011 - 2013 ASSOCIATE SOFTWARE ENGINEER - CSC Computer Sciences Corporation India Pvt Ltd

Programmer for applications and application patches, for automation of operations and maintenance of server infrastructure.

ACHIEVEMENTS

AUG 2012 RECOGNITION OF LEADERSHIP AWARD RioTinto Wintel Team

Led development of application patches.

JAN 2012 RECOGNITION OF OUTSTANDING WORK AND INNOVATION

Automation of operations and maintenance of server infrastructure.
